Class of 2005--Class History

We entered the halls of Southbridge High School in the fall of 2001, anxious to start upon the best four years of our lives, but first came the elections for our class officers. We elected Christina Rios as President, Itoro Udofia as Vice President, Marysol Maldonado as Secretary, and Michael Towle as Treasurer. Now that elections were out of the way we began to plan our upcoming fundraisers under the advisorship of Mrs. Rios and Mr. McHugh. November was quickly approaching and so was the Thanksgiving Day Rally. We had been hearing a lot about the rally and how exciting and fun it was. As soon as the theme "Out of this World" was given to us, we immediately began planning our skit. Since we were freshmen, we didn't exactly make the best choice, "Willy Wonka and the Chocolate Factory". The rally quickly approached and who knew that we needed narrators for our skit, NOT US, so we put on a horrible skit, had no words to it due to the misunderstanding. Boy was that an embarrassment!

Sophomore year came along and we had elections again. Nothing changed and we continued with Christina Rios as President, Itoro Udofia as Vice President, Marysol Maldonado as Secretary, and Michael Towle as Treasurer. We thought we had escaped the word "MCAS" but this was the decisive year in which we needed to pass the test in order to be able to graduate. Although we had to worry about MCAS, we needed to also worry about our skit for the Rally. We were determined to have a good skit this year since we were more experienced; we were also very excited to be having our first paint night. This year's theme was "Dancing through the Decades". Based upon the 70's we decided to do "The Oz". With Matt Champney as Izzy, Jimbo as a human disco ball, Vladimir as a turkey, and our football players as the rest of the characters from "The Oz". We were sure that this was going to be great. But once again something went wrong with the class of 2005, we placed 3rd with our skit and were disqualified. We eventually got over it and knew that we would surprise them next year. We then started planning the Prom, which we needed to put on for the Class of 2004. We booked Pleasant Valley Country Club and were determined to make this the best prom ever.

Junior Year, it was all going by so quickly. This year, when elections came along, it was nothing but drama. The results were in and we had a new officer on board, Daylin Altiery as our new Vice President. We continued with Christina Rios as President, Marysol Maldonado as Secretary, and Michael Towle as Treasurer. This year our main priorities were to place 1st with our skit and to put on the best Prom! This year's theme was "Paradise" and after much discussion we decided on "Pioneers of the Caribbean". Although we had our arguments and disagreements, we finally took everyone by surprise and with the great jokes, awesome skit, dancing, and music and of course Jack Phomphitak's break dancing moves, we placed 2nd in both skit and poster, but we did place 1st for the most Class Spirit. Then came the Prom: the theme would be "A Walk to Remember"; the colors Burgundy and Gold. With everyone's hard work and with the money we made from all of the fundraisers, we were able to put on an awesome prom. Junior year was at an end and senior year here we come.

Finally senior year! WE WERE FINALLY SENIORS! It was a long three years of waiting but we were finally here. There was so much to look forward to--the class trip, the rally, the Spirit of Boston, prom, and especially Graduation. Elections were held for the last and final time. We continued with Christina Rios as President, Daylin Altiery, as Vice President, Marysol Maldonado as Secretary, and Michael Towle as Treasurer. This time we had a new advisor on board, Mrs. Staffieri. The Thanksgiving Day Rally was near and we started on our skit. Little did we know that we would have a small food fight during C lunch and that event would cancel out Thanksgiving Day Rally. This put a big hole in our senior year but it was not going to mess up our senior year.

Seniors, always remember to reach for your dreams, fight for what you believe in, and especially never forget those who love and care for you the most. The future holds great things for each and every single one of you. Not only have we grown into great individuals but we have also become great friends through the years. May you succeed in everything you do, and congratulations WE FINALLY DID IT!

Class of 2005 Officers: Marysol Maldonado, Secretary; Michael Towle, Treasurer; Daylin Altiery, Vice President; Christina Rios, President.

Class of 2005 Officers: Always on top of things!

Class of 2005,

Thank you for letting me participate in our graduation. I wish I could have been there all those years. If you can learn anything by knowing me or looking at me I hope its courage, determination, going after what you want most, and not to get involved in drugs or alcohol. I'm a victim and believe me its difficult, eighteen surgeries after and I'm still fighting. Please make good choices. Go after all your dreams and remember only you can make dreams happen. Don't ever give up.

Your Friend Always,

Kyle

Kyle,

You're the best. You're so special to us. You proved to all of us that we are capable of doing anything. You will always be our hero and someone that we look up to.

Love,

Your Sisters

Kyle,

You are the best son I could ever ask for. You have been an inspiration to all of us. Kyle, no matter what lies ahead of us we will get through it together. You have been through so much, your strength, attitude, and love has brought us to where we are today. Your father would be so proud. Always remember how much he loves you and carry him in your heart always.

Kyle, you are our hero, stay focused and stay determined and don't ever give up. We all love you so very much and we will always be here for you.

Love,

Your Family

Johanna, Krystan, Kat, and Denise

It takes half of our life to find true friends and half of it keeping them. I am lucky to have spent less than half of my life finding you girls and wish to spend the rest keeping your friendship.

Years will fly, tears may dry, but my friendship with you girls will never die!

As we go on, we remember
All the times we have had together
And as our lives change, from whatever
We will still be, friends forever.....Vitimin C

I just wanted to wish you girls the best of luck in everything you do after high school and, you know, I will always be here for you! I love you girls! Love, *Christina*

Christina

We are very proud of you and your accomplishments. Good luck in college and don't forget that we will always be here for you.

Dearest Jonathan:

It seems like only yesterday the Doctor said "It's a boy". I was so happy and proud then, and I'm so happy and proud now. You had a lot of hurdles to jump during your childhood. You started out fighting to survive and even though you may not remember any of it now, you gave a great fight and proved to everyone you are strong, brave, brilliant, handsome and funny. You will go on in life to succeed at anything you set your sights on. I remember so well your first smile, on your first birthday you took your first steps, the first mud puddle I got you to play in, the day you started riding your bike you just climbed on and took off, ready to go anywhere your legs would take you, the first day of kindergarten, the day your got your license (a very scary day for me). Now you'll be graduating...I just cannot believe it. You're a young man now. I am so proud of all you have done and all you will continue to do. I look at you and know you will get far, and I will be stading tall and proud, telling everyone "that's my son". You have a kindness about you that shows in all you do. Your little brother has been a very lucky boy to have had your help over the years. You have great patience and kindness toward him and you have taught him so much. I know you will continue to grow and help others in your college and working years. Your knowledge is sure to benefit many people.

Jonathan, please know that I want only the best for you and I want you to be happy in your life, and I will suppport any choices you make. I love you and am ever so proud of you. Love, *Mom*

It seems as if we have been writing a book together from the time you were born. It's quiet beginning with "Once upon a time..." has turned into a memoir spanning 17 years. We've traveled through good and bad, pain and hope, cries and laughter, sometimes all at the same time. Like a chest full of old pictures, broken dolls, birthday cards and hair locks, my heart will forever keep our treasures. We've come far together...

The time has come for me to step aside and let you write the next chapter by yourself. I know it will be unique and exciting - just as you are. I can't wait to turn the page and see what happens next...

Thank you for being my best friend and allowing me to be yours.

Love, *Mom*

Christopher,
We are all so very proud of you! Congratulations on all of your achievements. Work hard and all of your dreams will come true. The world is at your fingertips.

We love you so much!!

Jorgito:

...my daughter and best friend,

It is hard to believe that you will soon be starting a new chapter in your life! I have watched you grow into a confident, compassionate, intelligent, and beautiful young lady. You have worked hard in school and at developing your dance talent. God has blessed you in so many ways. Never take your talents for granted. Always try to be the best that you can be. May God bless you, guide you, and keep you safe as you embark on your journey through life.

Love you,

Mom

What a way for a mother to talk about her daughter. Difficult as it may seem, your resiliance and character makes my job easier as a parent. Your desire to achieve more in education and your craving for community activities makes an excellent blend for people who aspire to achieve great laurels. You are this person... an academically conscientious individual who is eager to achieve more. Congratulations!
